

Traidcraft Stockists in Lancashire

This list is a mixture of individuals, churches and some shops who offer Traidcraft at various levels. Some currently order just for their own church, but would be willing to order for another church or individuals if asked; some would be willing to bring a stall to an event; others hold large amounts of stock which they are happy to provide on a sale or return basis. Please make direct contact with those on the list to find out more. To make amendments or additions to the list, please contact Anne Garsed at fairpreston@gmail.com or on 07813 870641
