Open Church needs You "Being open strengthens the role of the church in the community and gives opportunity for mission. The primary reasons for visiting a church building are social, spiritual and feeling a sense of welcome and of holiness. A space for reflection or prayer at the heart of a community " - from Ecclesiastical website. Please consider adding your name to the open church rota at the west end of church to "church sit" occasionally or every week, or speak with the vicar or curate for further information. Volunteer guidelines are available. It is a joy to visit the church when it is peaceful for the "church sitters" and our hope is that the visitors also find and take away something positive from their visit to church.
